SINCE 1866

# Pinot Noir

## Vintage Conditions

The 2020 vintage began with a very dry winter and almost no rainfall at all. Budburst began in mid August and it wasn't until mid September that we received some decent rainfall. Over the Summer period, the dry conditions continued and it resulted the earliest harvest in history. The dry conditions meant that crop levels were down across the country but the grapes we harvested were in great condition and had lots of concentration of flavour.

## Winemakers Notes

This wine has been produced from Pinot Noir sourced from the Central Ranges in New South Wales. The grapes were destemmed into a stainless steel fermenter and cold soaked for 2 days. Primary fermentation took place over a 7 day period with pump overs twice each day. The wine was then pressed and put to 100% French oak puncheons and matured for 12 months before being blended, filtered and bottled.

## Tasting Notes

### Colour

Cherry red with bright violet hues

### Bouquet

Lifted aromas of fresh cherry and mulberries with hints of savoury spice.

### Palate

The palate is juicy with flavours of fresh red cherries and cranberries with soft tannins and bright acidity.

## Vintage

2020

## Region

Central Ranges

## Cellaring

Enjoy now or for the next 5 years

## Tech Data
