SINCE 1866

Moscato

Vintage Conditions

When the 2021 vintage began the vines were in healthy condition with plenty of foliage. A cooler and drier than average January after excellent December rainfall combined to deliver ideal ripening conditions, with grapes showing flavours of great freshness and intensity. Good vineyard management and winemaking has resulted in wines that have great intensity of flavours.

Winemakers Notes

The grapes were harvested at the beginning of March, destemmed, crushed into the press where the juice and skins were held together to extract the pink colour from the skins. The fruit was then pressed to tank where it was cold settled and then racked. The fermentation took place at a cold temperature to retain the aromatic characteristics. After fermenting 50% of it's sugar content, the ferment is stopped, the wine is immediately filtered and bottled. This popular wine is always our first release of the year as we want to preserve its fresh style.

Tasting Notes

Colour

Pale ruby pink.

Bouquet

An aromatic wine with ripe strawberries, raspberries and lifted floral notes.

Palate

A delicate and lively wine on the palate with ripe red berry flavours and a hint of spritz. The fruit sweetness is balanced with a crisp acidity .

Vintage

2021

Region

Swan Hill

Cellaring

Enjoy now.

Tech Data

Alc.	6.5%
TA	5.4g/L
pH	3.30
