## 'The Lighthorseman'

### Vintage Conditions

The 2015 vintage is regarded as a classic Hunter Valley vintage, with ideal warm growing conditions leading up to vintage followed by a burst of wet weather in late February. Good vineyard management and winemaking has resulted in some of the best wines we've made.

### Winemakers Notes

Made up of Cabernet Sauvignon, Merlot and Shiraz, the grapes for this blend were specifically chosen from different areas within New South Wales to reflect the high calibre of fruit that is grown throughout the state. All parcels were treated similarly, crushed and destemmed with cold soaking for 1 week. Primary fermentation took place for 10 days and pressed. Maturation took place in a mixture of small & large French oak barrels for 14 months. The wine was racked, filtered and bottled.
